

DORSAI IRREGULARS

Statement of the Board of Directors in regards to Anthrocon 2020

29 November, 2019

After careful consideration, the Dorsai Irregulars have concluded that we cannot provide staff or support for Anthrocon in 2020.

The Dorsai Irregulars have supported Anthrocon since 2002 and we have been privileged to help Anthrocon grow from 1300 attendees to where it is today. We regret that we are unable to do so for 2020. We wish Anthrocon, Inc, its staff, and attendees all the best and a safe and enjoyable event in 2020.

To our friends in the Furry Community we look forward to seeing you at FurSquared, Motor City Furry Con, IndyFurCon, and the other events we support throughout the year.

Sincerely,
The Dorsai Irregulars Board of Directors
